

## **Pevensey & Westham Parish Boundaries**

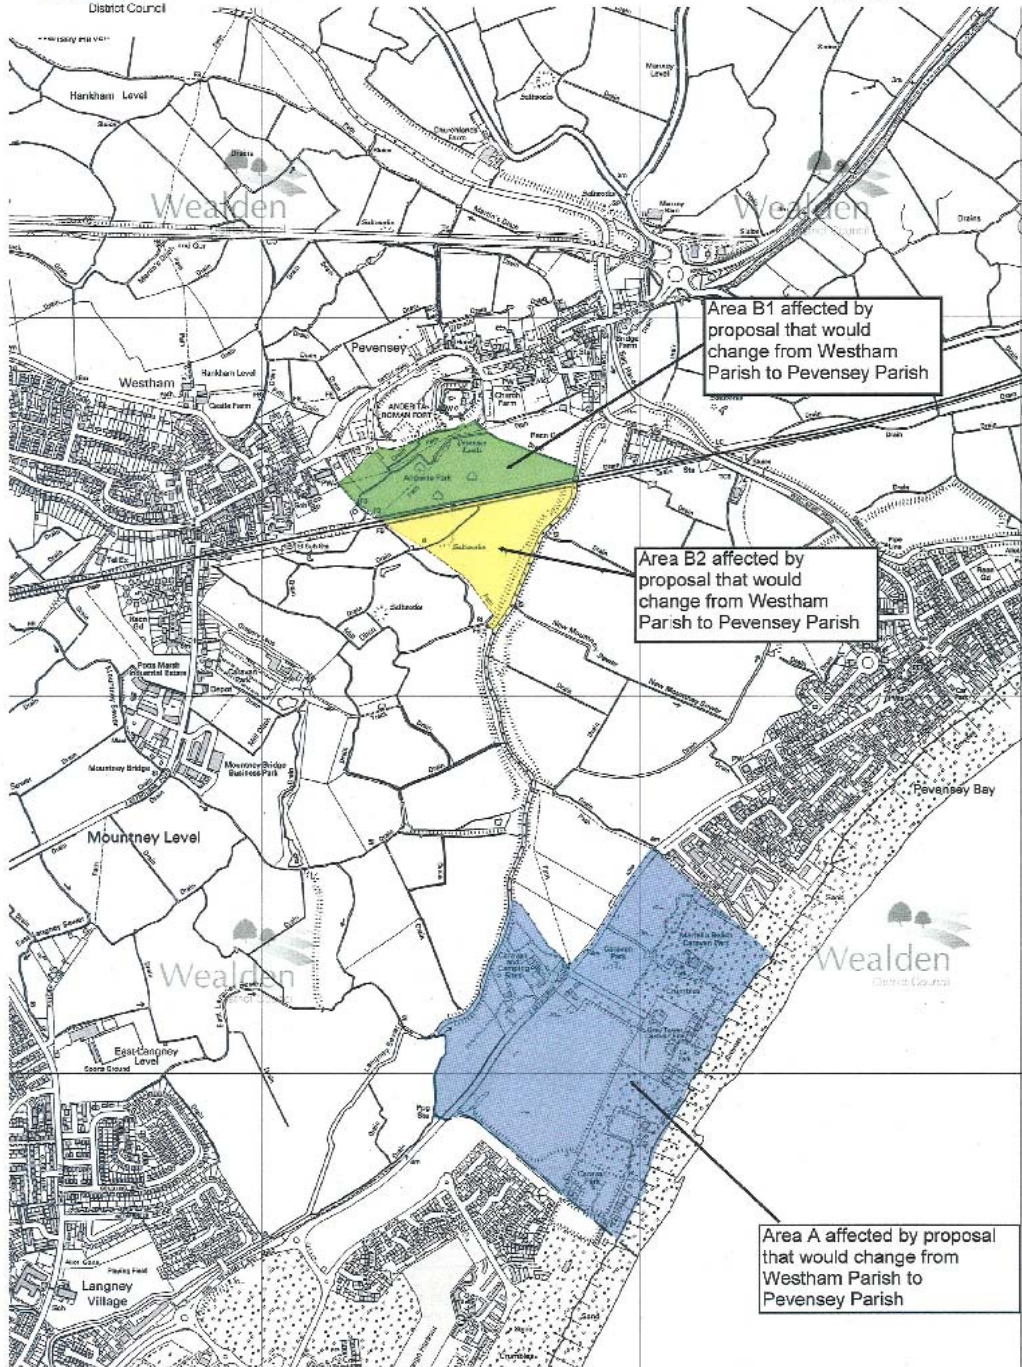

You may recall that Wealden District Council has been conducting a Community Governance Review of the parish boundaries between Pevensey Parish Council and Westham Parish Council.

Pevensey Parish Council requested that Wealden District Council consider implementing a change to the boundaries between the two parishes so that the areas shown as blue, green and yellow on the enclosed map transfer from Westham Parish Council to Pevensey Parish Council.

Following a period of consultation, the Review has now been completed and the results considered by the District Council. At a meeting held on 10 March 2010, Wealden District Council's Regulatory and Audit Committee unanimously agreed that the parish boundaries should be changed and the parcels of land transferred from Westham Parish Council to Pevensey Parish Council. Please note that the changes affect the Civil Parish Council and not the Ecclesiastical Parish.

**What happens next?** The District Council shall make an Order to implement the parish boundary changes. The Order shall take effect from 1 April 2011 - in time for the next ordinary election of Parish Councillors in May 2011.

If you have any queries on this matter, please contact the Electoral Services Section on 01892 602417 or email [elections@wealden.gov.uk](mailto:elections@wealden.gov.uk).
