New Local Heritage Centre at Stone Cross Windmill

After receiving a grant from the Wealden and Rother Rural Partnership Stone Cross Windmill has opened a Local Heritage Centre. The outside area around the Mill has been landscaped, the ceiling of the roundel insulated and the floor has been levelled and carpeted. Fan heaters have also been installed to attack the general coldness and dampness. On Friday 30th July the Centre was opened by its patron, Mr Michael Fish who is also a weather expert for BBC television. The Local Heritage Centre is open on Sunday afternoons from 2pm – 5pm until the end of September except for the 11th and 12th September (Heritage Weekend) when it will be open from 10am to 4pm. The Centre can also be viewed on request. Please call 05601 603298 (a local number) to arrange this.
